

GAHP Executive Committee Meeting Summary

The GAHP Executive Committee met via teleconference on 9th May 2018 from 08:00 – 9:00 New York time. The below is a summary of the discussion and decisions taken.

Administrative Business

- The meeting minutes from 28th March and 3rd April were approved, pending some small corrections.

Programmatic Business

- **GAHP Subcommittees.** Updates were presented from the Communications Subcommittee.
 - **Communications Subcommittee** is working on two reports: a regional and country based report of the Lancet Commission pollution and health data, and a report on the transboundary nature of pollution and its impacts.
 - **Health and Pollution Action Planning (HPAP) Subcommittee,** has ongoing HPAPs in Madagascar, Thailand, Colombia, Ghana, Tanzania, Philippines and Kyrgyzstan are moving ahead.
 - **Strategy Subcommittee** has been having many individual discussions with GAHP members about strategy for getting the message on the international and national development agendas.
 - **Pollution Metrics Subcommittee.** WB has been engaged in ongoing collaboration with the WHO to establish and prepare for this first WHO conference on environmental health
- **Independent Assessment of GAHP discussion.** Executive Committee members were asked to provide comments in writing to the revision of the GAHP Constitutive Document by the end of May.
- The next meeting will be held in one month's time.
