

GLOBAL LEAD FORUM: ASSESSING AND ADDRESSING LEAD EXPOSURE IN LOW-AND MIDDLE-INCOME COUNTRIES

REGISTRATIONS ARE OPEN:

[Zoom](#)

MAY 10TH 2022 - 10 AM EST / 4PM CET

The newly established [Global Lead Forum](#), organized by the [Global Alliance on Health and Pollution \(GAHP\)](#) aims to build global awareness and momentum to address the neglected issue of lead exposure in low- and middle-income countries. The Forum is a project of [Protecting Every Child's Potential](#), a leading global public-private initiative founded by Pure Earth, Clarios Foundation, and UNICEF with the goal of ensuring that all children have a future free from lead exposure.
